

Do you have the
Will to transform lives?

Donations are vital to Children's Heart Surgery Fund. By leaving a lasting legacy in your Will, you'll know that after you're gone your gift will make an incredible difference to the lives of children and families affected by congenital heart disease.

Thanks to your legacy we can
continue ours

Care for the
Heart

Care for the
Mind

Care for the
Family

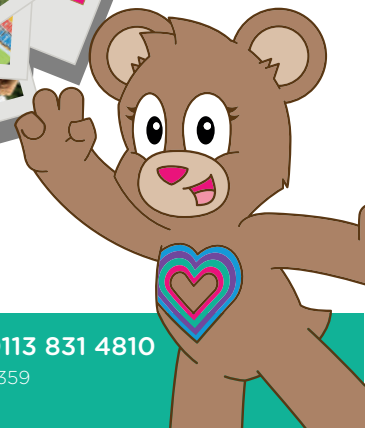

Care for the
Future

Find out more about leaving a legacy donation in your Will at
